What We Do.

We send all seeds quoted in this Catalogue by Mail Postpaid, except those where it says By Express. If you want your order sent by express or freight you may deduct the amount we would have to pay for postage, which is 16 cents a quart, 4 cents on ½ pint, 8 cents on a pound, 2 cents on ¼ pounds and 1 cent on ozs. DO NOT order small lots to be sent a long distance by express or freight as it will cost more than postage.

We guarantee our seeds to be Fresh and True to Name to the extent that we will replace free all seeds which fail to grow through any fault of the seeds, we also replace free any which prove to be a variety different from what it is marked; also we replace those lost in the mails.

We send out only the Best NORTHERN Grown Seeds—the very Best that can be grown or procured.

We send promptly, almost every order is filled and sent the same day it is received. Plants and bulbs sometimes cannot be sent till spring.

What you are to do.

Send money with your order; if possible procure a Post Office Money Order, you may deduct the cost from the amount of your order. Small amounts may be sent in postage stamps or coins carefully wrapped. Registered letters, Express Orders, etc. are all right.

Sign your full address. BE SURE your address is all on and plainly written.

Look your order over and see that the prices are carried out right. Flower seed may be ordered by simply writing the number which is before the varieties you want.

Send the addresses of any who would be likely to send for seeds if we mailed them a catalogue also we would like to get some good person to sell a box or more of seed in every locality and thus help introduce them more thoroughly also, we would like the address of your storekeepers who sells seed. We will add a few extras to your order to pay you for the trouble of sending the names.
